Tips for Success for New Members:

- ✓ **Review the newsletter.** The newsletter contains lots of important information including Club news and all monthly activities. The newsletter is emailed to all members on the third Tuesday at about 10:00 am.
- ✓ **Join different email lists.** Contact the activity chairmen and get on email lists for activities you enjoy. These monthly emails provide more details about the planned activity for that month. i.e. Hiking, Golf, Book Group, Monday Movie, etc.
- ✓ **Attend monthly luncheons.** Our monthly luncheons will allow you to meet many people in our club, as well as allow you to hear the most recent information about what is happening and planned for the Club. New members will have a red dot on their name card so people will come up and introduce themselves to you at the luncheon.
- ✓ **Join a group.** Getting involved with a group activity will allow you to meet with the same people each month and will give you an opportunity to get to know them! Contact the activity chairmen for fixed monthly groups that you may be interested in joining. i.e. All the Games (Bunco, Mexican Train, Bridge etc.), Dinner for Eight, Spirited Social, Cooking and More, etc. They may have waitlists but if the list gets too long then a new group is formed.
- ✓ **Start a new activity or chair a group.** We value your ideas and involvement in our Club! If you are interested in initiating a new activity or forming a new group, just let us know!
